FOR IMMEDIATE RELEASE

**Executive Series Interview with PTB Managing Director, Stephen Smith**

Over the past 18 months PTB Group Limited (ASX:PTB) has undertaken a transformation of the business to remain a market leader in their niche space. In the attached video, PTB Group Managing Director, Stephen Smith talks with Roger Leaning of Morgans Financial Limited about the various businesses which PTB Group encompasses and how they work together to look after their customers.

The interview coincides with several achievements in recent times:

1. The recent partnership between PTB Group and SBI Leasing, offering affordable and convenient finance opportunities for aircraft and engine leasing.
2. Securing of a facility in Miami, Florida to service customers from across the globe. Being able to offer FAA and EASA released engines allows us to secure engine sales in new regions.
3. Partnership with Belluna Co. to provide funding for a PT6 Test-Cell to be constructed on the Brisbane premises. This greatly enhances the client offering and demonstrates the capabilities on offer, allowing testing of PT6 and 331 engines onsite.

The video will also be used by the Company as an investor information tool to help take PTB Group to the wider investment community. After experiencing strong share price growth over the past 18 months, PTB Group will continue to take their story to new customers and investors in Australia and abroad.

On publication of the video, Stephen Smith noted: "We are delighted to be able to sit down with Roger to answer a few questions about the Company. PTB Group has achieved some wonderful advancements in recent times and we are excited about the future. As always, we aim to provide the best possible outcomes for our customers and shareholders alike."
